

Golden Grove Football Club Junior Football Sponsorship

With approximately 450 junior footballers registered with Golden Grove Football Club, we have grown to one of the largest junior sporting clubs in South Australia. To assist us in supporting this important part of our club, we are seeking businesses and individuals who are interested in fostering Junior Football at all ages.

The following sponsorship package is designed to attract new business relationships to the Golden Grove Football Club. Their contribution will allow us to improve the playing facilities and experience available to all juniors. Funds raised will be applied solely towards junior football and activities such as the end of season presentation day function.

In appreciation of their contribution, the Junior Football Sponsor will receive a Club Polo and Social membership. Their contribution will also be recognised on the club's website.

The sponsor will also nominate a junior footballer to receive an \$80 reduction in registration fees for the current season.

Sponsorship cost—\$250 plus GST (\$25)

If you would like to assist us by becoming a Junior Football Sponsor, please complete the attached application form and hand to Mark Hayes, Kate Grandey or Greg Morris at registration day.
